**Are you called to experience the thrill of seeing and touching the majestic, yet gentle giant Gray Whales in the natural beauty of San Ignacio Lagoon?**

**This is the one place on our planet where you can have a magical and friendly Whale encounter. Make meaningful contact with them as they come up to our boat where you can touch, kiss, and scratch these friendly Gray Whales.**

**Every year Gray Whales migrate more than 10,000 miles between their summer feeding grounds in the Arctic and the coastal lagoons of southern Baja. San Ignacio in Baja Mexico is one of lagoons on the southwest coast of Baja that is a winter home of the Gray Whale. The Whales use these protected, shallow, warm waters as their breeding and birthing waters.**

**San Ignacio is the only lagoon that remains undeveloped and pristine.**

## **"DOLPHINS & WHALES FOREVER"**

**In this extraordinarily touching and heart-felt book, twenty cetacean ambassadors, visionaries, communicators, and facilitators of transformation share their personal stories of dolphin and whale encounters that changed their lives forever. The unique connection they each share with cetaceans has become their personal doorway to transformation, higher wisdom, and the ability to facilitate physical and emotional healing within themselves and others.**

**"I am proud to be a contributing author! This is my story of how I became an Animal Communicator, and then an Inter Species**

Communicator. In this book I am able to tell the amazing stories of how "Puddah" became my teacher and partner and how I became a Soul Healer." ~ Laurie Reyon
